

***Pride of Baltimore II* Guest Crew Passage Approval Process**

The application and approval process for a *Pride of Baltimore II* guest crew passage is as follows:

1. APPLICATION

Complete the application at <https://pride2.org/come-aboard/guestcrewapp1/> in its entirety.

Applications for each passage are reviewed on a first-come, first-served basis, determined by the date and time of receipt of completed forms.

2. APPROVAL

Upon receipt of the application, Pride of Baltimore, Inc. will notify an applicant by email within seven business days if they have been approved for a passage. Guest crew applicants over the age of 65 must provide documentation from their general physician or internist that, in their opinion, there is no apparent medical reason to prevent the applicant from participating as an overnight guest crew member aboard a sailing vessel. The captain has the final say on whether an applicant is approved or not.

3. ADDITIONAL INFORMATION AND PAYMENT

After approval, Pride of Baltimore, Inc. will request additional information and must receive that information and full payment within three business days to confirm the passage. Fees include room and board. Payment can be made online (link will be in approval email) or by contacting the office at 410.539.1151. If paying by check, checks should be made payable to Pride of Baltimore, Inc.
